

BACK TO YOU

(Bryan Adams)

I've been down - I've been beat
I've been so tired - that I could not speak
I've bin so lost that I could not see
I wanted things that were out of reach
Then I found you and you helped me through
and ya showed me what to do
that's why I'm comin' back to you...

Like a star that guides a ship across the ocean
that's how your love can take me home back to you
and if I wish upon that star,
that someday I'll be where you are
I know that day is comin' soon,
yeah I'm coming back to you

You've been alone, ya didn't show it
You've been in pain when I did not know it
You let me do what I needed to ,
you were there when I needed you
Mighta let you down, mighta messed you round
But ya never changed your point of view
That's why I'm coming back to you

Like a star that guides a ship across the ocean
that's how your love can take me home back to you
and if I wish upon that star,
that someday I'll be where you are
I know that day is comin' soon,
yeah I'm coming back to you

Mighta let you down, mighta messed you round
But ya never changed your point of view
That's why I'm coming back to you

Like a star that guides a ship across the ocean
that's how your love can take me home back to you
and if I wish upon that star,
that someday I'll be where you are
I know that day is comin' soon,
yeah I'm coming back to you
I'm comin' back to you....
I'm comin' back to you....
I'm comin' back to you....
I'm comin' back to you.....
