

# HEAVEN OUT OF HELL

Elisa

So are you turning around your mind  
do you think the sun won't shine this time  
are you breathing only half of the air  
are you giving only half of a chance  
don't you wanna shake because you love  
cry because you care  
feel 'cause you're alive  
sleep because you're tired

make heaven, heaven out of hell now ...  
make heaven, heaven out of hell now ...

are you locked up in you counting the days  
oh how long until you have your freedom..... your freedom  
just shake because you love  
cry because you care  
feel 'cause you're alive  
sleep because you're tired  
shake because you love  
bleed 'cause you got hurt  
die because you lived

make heaven, heaven out of hell now ...  
make heaven, heaven out of hell now ...

are you still turning around the same things  
are you still trying that way  
are you still praying the same prayers  
are you still waiting for that same day to come

climbing the same mountain  
you're not getting higher  
you're running after yourself  
can't let go  
hiding in that place you don't wanna be  
you push happiness so far away  
but it comes back  
to give you all that you've given before  
to love you the way that you do, like a mirror  
look in the air 'n catch that boomerang  
can't fall anywhere else but in your own

and make heaven, heaven out of hell now  
make heaven, heaven out of hell now...  
make heaven heaven out of hell now  
make heaven, heaven out of hell now  
are you still waiting  
make heaven, heaven out of hell now  
are you still praying  
make heaven, heaven out of hell now  
are you still losing  
make heaven, heaven out of hell now  
make heaven, heaven out of hell now  
I wanna fly because  
I dream.....dream.....dream
