

# **H E L P !** (versione Joe Cocker)

When I was younger so much younger than today  
I never need anybody's help in any way  
but now these days are gone, I'm not so self assured  
now I find I've change my mind, I've opened up the doors.

Help me if you can I feeling down  
And I do appreciate you being round  
Help me get my feet back on the ground  
Won't you please, help me!

And now my life has changed in oh so many ways  
My independence seems to wanish in the haze  
But every now and then I feel so insicure  
I know that I just need you like I've never done before.

Help me if you can I feeling down  
And I do appreciate you being round  
Help me get my feet back on the ground  
Won't you please, help me!

Help! I need somebody  
Help! Not just anybody  
Help! You know I need someone.....help!

When I was younger so much younger than today  
I never need anybody's help in any way  
but now these days are gone, I'm not so self assured  
now I find I've change my mind, I've opened up the doors.

Help me if you can I feeling down  
And I do appreciate you being round  
Help me get my feet back on the ground  
Won't you please, help me!
