

I WILL ALWAYS LOVE YOU

Whitney Houston

If I should stay
I would only be in your way
so I'll go, but I know
I'll think of you ev'ry step of the way

And I
will always love you
I will always love you

You.....my darling you

Bitter sweet memories that is all
I'm taking with me
So goodbye.....please don't cry
we both know I'm not what you, you need

And I
will always love you
I will always love you

hope life treats you kind
and I hope you have all you've dreamed of
and I wish to you, joy and happiness
but above all this, I wish you love

And I
will always love you
I will always love you
I will always love you
I will always love you
I will always love you
I, I will always love you
you darling, I love you
oh I'll always, I always love you
