

STARMAN
(David Bowie)

Hey la la...

Hey la la...

Didn't know what time it was, lights were low-ow-ow
I leaned back on my radio-o-o
Same cat was laying down some.....rock'n roll,
lotta soul, he said.

Then the loud sound did seem to fa - a - a
Came back like a slow voice on a wave of pha - a - a,
That weren't no D.J., that was hazy cosmic jive.

There's a starman waiting in the sky,
he'd like to come and meet us
but he thinks he'd blow our minds.
There's a starman waiting in the sky,
he's told is not to blow it,
'cause he knows it's all worth-while, told me:
Let the children lose it, let the children use it
let all the children to get

I had to phone someone, so I picked on you - ou - ou
Hey, that's far out, so you heard team too - oo - oo
Switch on the T.V., we may pick him on channel two.
Look out your window, I can see his light - ight - ight,
if we can sparkle he may land tonight - ight - ight,
Don't tell your papa or he'll get us locked up in fright.

There's a starman waiting in the sky,
he'd like to come and meet us
but he thinks he'd blow our minds.
There's a starman waiting in the sky,
he's told is not to blow it,
'cause he knows it's all worth-while, told me:
Let the children lose it, let the children use it
let all the children to get
