

WHO'LL STOP THE RAIN
(C.C.REVIVAL)

Long as I remember
Who win when coming down
Clouded mistry fallig
And fusion underground
Could be true the Angels
Try and find the sun
And I wonder, still I wonder

Who'll stop the rain

I will down for junion
See the chair he form is strong
Out her in the tab you
A watch to tower proud
Baby and friend and nub you
Rap and gold and chaise
And I wonder, still I wonder

Who'll stop the rain

Turn the sing as playing
Now he cheese from my own
Clouded and rush together
And try to do keep'on
Still the rain keep falling
Haling own my hell
And I wonder, still I wonder

Who'll stop the rain
