

## With a little help from my friends

(Beatles-versione Joe Koker)

What would you do if I sang out of tune  
Would you stand up and walk out on me.  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key.

I get by with a little help from my friends  
I get high with a little help from my friends  
I'm gonna try with a little help from my friends

What do I do when my love is away  
(Does it worry you to be alone)  
How do I feel by the end of the day  
(are you sad because you're on your own)

I get by with a little help from my friends  
I get high with a little help from my friends  
I'm gonna try with a little help from my friends

Do you need anybody, I need somebody to love  
Could it be anybody, I want somebody to love

I get by with a little help from my friends  
I get high with a little help from my friends  
I'm gonna try with a little help from my friends

Would you believe in a love at first sight  
Yes I'm certain that it happens all the time  
What do you see when you turn out the light  
I can't tell you but I know it's mine

I get by with a little help from my friends  
I'm gonna try with a little help from my friends

Do you need anybody, I need somebody to love  
Could it be anybody, I want somebody to love

I get by with a little help from my firends  
I'm gonna try with alittle help from my friends  
I get high with a little help from my friends
