

SOMETHING

(Beatles)

Something in the way she moves
attracts me like no other lover
something in the way she wooses me
I don't want to leave her now
you know I believe and how.

Somewhere in her smile she knows
that I don't need no other lover
something in her style that shows me
I don't want to leave her now
you know I believe and how

You're asking me will my love grow
I don't know, I don't know
you stick around now it may show
I don't know, I don't know.

Something in the way she knows
and all I have to do is think of her
something in the things she shows me
I don't want to leave her now
you know I believe and how.
