

SPACE TRUCKIN

(Deep Purple)

We had a lot of luck on Venus
we always have a ball on Mars
we meeting all the groovy people
we've rocked the Milky way so far
we danced around with Borealice
we're space truckin round the stars

Come on, come on, come on
lets go space truckin
Come on, come on, come on S.T.

Remember when we did the moonshot
and pony Trekker led the way
we'd move to the Canaveral moonstop
and everyhaut would dance and sway
we got music in our solar sistem
we're space truckin round the stars

Come on, come on, come on
lets go space truckin
Come on, come on, come on S.T.

fireball thet we rode was mooving
but now we've got a new machine
yeah yeah yeah yeah the freaks said
man those cats can really swing
they got music in their solar system
they've rocked around the Milley way
they dance around with Borealice
they're space truckin every day

Come on, come on, come on
lets go space truckin

Come on, come on, come on S.T.

Yeah, yeah, yeah Space Truckin
Yeah, yeah, yeah Space Truckin
Yeah, yeah, yeah Space Truckin
