

## TEQUILA SUNRISE

(Eagles)

It's another tequila sunrise  
steady and slowly cross the sky  
we say good bye

He were just arney  
workin' on the dreams he flain to try  
with there' s go by

Ev'ry nighth when the sun goes down  
just another lonely boy in town  
'n'she's air growin' ground

She was in just another won  
and I could in keep from could along  
it's been so lo-o-ong

Uoh and it's a high the feeling  
when it comes down to deal and friends  
to thever rains

### STRUMENTALE

Take another scial of core age  
wonder why the prouds words never come  
you jiski have no

It's another tequila sunrise  
this all words steel looks the same  
another frame

Mmmh mmmh mmmh.
