

TO LOVE SOMEBODY

(Bee Gees)

There's a line soft can I lie
that never shine on me
I want my life to be
a life with you let it baby

There's a way every body say
they do it jo never let it pain
but what close every way
if I ain't got do ain't got

Babe.....you don't know what is life
baby you don't know what is life
to love somebody
to love somebody
the way I love you

In purple rain I see your face again
I know my friend if I may
you rain got to be so lay
another lay so so so you blader

I'm a man can't you see what I am
I let another rif for you
but what close ev'ry do
the pain got you ain't got

Babe.....you don't know what is life
baby you don't know what is life
to love somebody
to love somebody
the way I love you

babe.....you don't know what is life
baby you don't know what is life
to love somebody
to love somebody
the way I love you
